Subject: Submission of Expression of Interest (EOI) for Partnership

Dear Partnership Committee,

On behalf of **Uplift Her Hub**, I am honored to submit our Expression of Interest (EOI) for partnership with the Norwegian Refugee Council (NRC). As a newly established community-based organization, we are at the beginning of our journey to **empower vulnerable women, particularly teenage mothers and youth, by equipping them with sustainable livelihood skills and fostering economic independence**.

Our **mission** is to uplift young single mothers and young women(youth) through **skills training, business mentorship, and market-driven enterprise development**. Our approach goes beyond traditional skills training—**we actively involve beneficiaries in the entire production and business cycle, ensuring that they earn directly from their participation rather than just acquiring skills**. This model fosters self-reliance and long-term sustainability.

For our initial implementation phase, we aim to focus on **interventions, like soap-making, chalk making, candle-making ,tailoring, agribusiness, and financial literacy training** in **Nakivale Refugee Settlement**. By integrating training with actual income-generating activities/projects, we seek to create real economic opportunities for our beneficiaries and help them bridge the gap between them and self-resilience.

We have attached the required documents as per the Terms of Reference (ToR). However, we would like to notify you that our **Tax Identification Number (TIN) and OPM authorization** are currently being processed. We are actively working with the relevant authorities and will submit these upon completion.

We believe that partnering with NRC will strengthen our ability to **transform lives through sustainable solutions**. We would welcome the opportunity to discuss our vision further. Please feel free to contact us at **upliftherhub@gmail.com** or **+256788152356**

We look forward to your positive consideration.

Sincerely,

JEROME NIYIKIZA
